ASEGURADORA

ESTRUCTURA

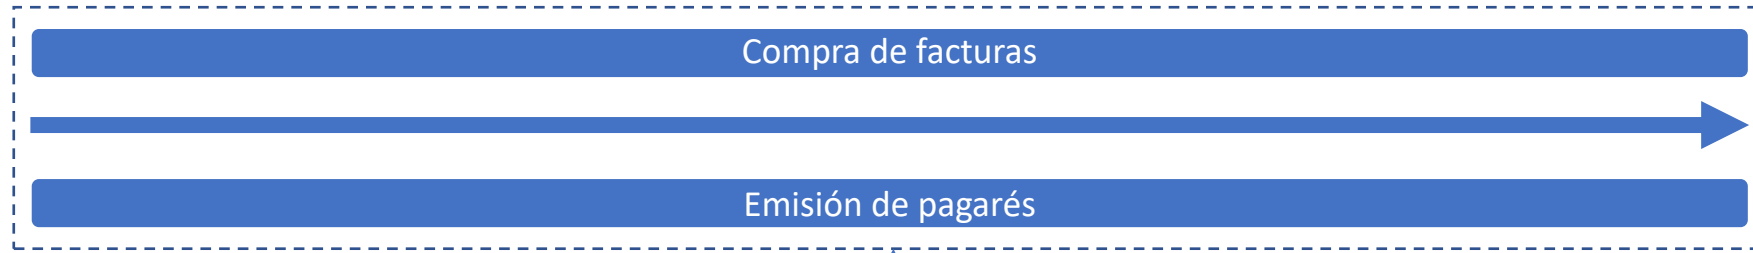

FINANCIACIÓN DE FACTURAS

- A** **LINKFACTOR TRADE RECEIVABLES** financiará la compra de facturas con la emisión de Euro Papel Comercial en el MARF y/u otros mercados.
- B** La Aseguradora (Atradius o Cesce) cubrirá el **90,00% del saldo nominal de las facturas en default**. El porcentaje no cubierto se compensará mediante un descuento sobre el precio de adquisición de las facturas que será, al menos, del 10,00% de su saldo nominal. Por tanto, todo el riesgo de crédito del Fondo será cubierto por la compañía aseguradora.
- C** Una vez cobradas las facturas el fondo amortiza los pagarés emitidos por el fondo para financiar la compra de las facturas.

CALENDARIO DE OPERACIONES

Hoy

Tres meses antes de la fecha de Vencimiento del Fondo
 (15 de diciembre de 2029)

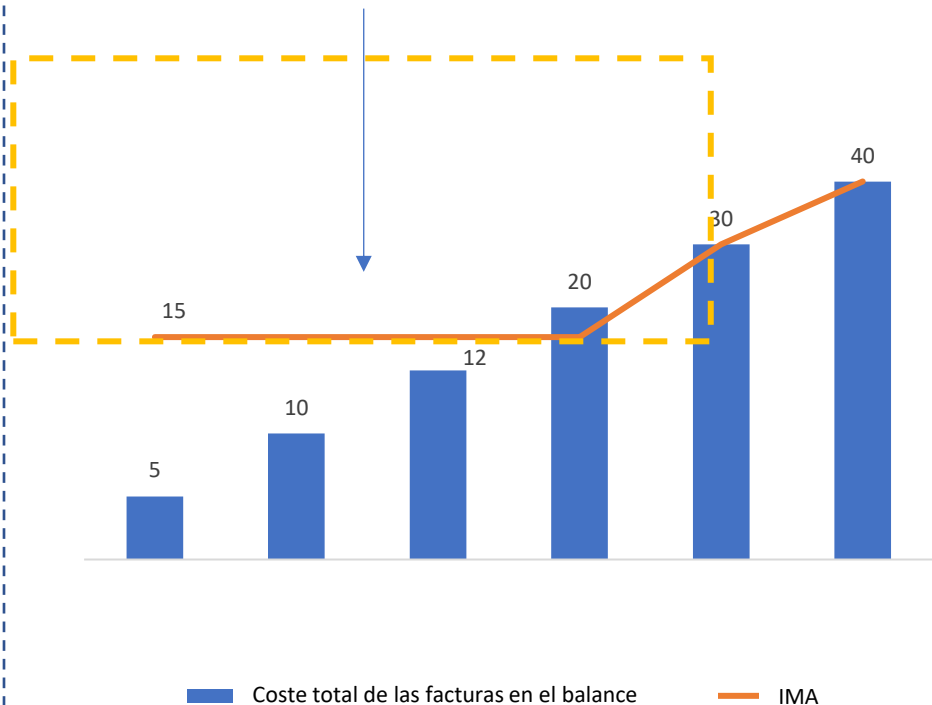

Durante la vida del fondo, dejará tanto de comprar facturas como de emitir pagarés si el fondo alcanza su límite de emisión (150M€), reanudando la actividad de compra y emisión una vez se produzcan los cobros de facturas y se amorticen pagarés.

INDEMNIZACIÓN MÁXIMA ANUAL (IMA)

EL FONDO MANTENDRÁ UNA RELACIÓN DE 1 A 1 DEL IMPORTE DE LA IMA CON EL COSTE TOTAL DE COMPRA DE FACTURAS ASEGURADAS

IMA suficiente para mantener siempre una relación de 1 a 1 con el coste total de las facturas en el balance

- Atradius ha sido calificada por:

➤ Moodys: **MOODY'S**

INDEMNIZACIÓN MÁXIMA ANUAL (IMA)

- El coste de adquisición de las facturas cedidas al fondo está íntegramente asegurado por Atradius en virtud de un contrato de póliza de seguro con una IMA mínima anual de 15M€, no obstante, **la IMA será incrementada por el fondo si fuera necesario para asegurar una relación de 1 a 1 entre la IMA y el coste total de las facturas en el saldo del fondo.**

Selección "CHERRY PICKING" de facturas de Atradius

- En caso de incumplimiento por parte del deudor, Atradius tendrá derecho a reclamar también el pago al cliente, por lo que Atradius hace un análisis tanto del deudor como del cliente.**

- CESCE ha sido calificada por:

- **S&P** **A**
- **Moody's** **A2**
- **EthiFinance** **A**

No hay límite HAY LIMITE DE INDEMNIZACIÓN MÁXIMA

- A diferencia de la póliza de Atradius, el seguro con CESCE no tiene un límite en la indemnización máxima anual (IMA) que puede llegar a cubrir.

Recurso solo contra el deudor

- La otra diferencia con la póliza de Atradius, CESCE solo analiza al deudor y no incluye al cliente en su análisis. Esto es debido a que la actividad cubierta por CESCE es la compra de derechos de crédito sin recurso.

Incluir tanto a Atradius y CESCE dentro del pool de aseguradoras del vehículo estimamos que permita aumentar el nº de facturas aseguradas y con ello el tamaño del fondo de titulización.
